2. Review of certain aspects of the JOT Program for the use of DTR in his forthcoming talk to the new class of JOT's has revealed some interesting facts. Thus far, former members of the Program have seen duty in a total of 45 foreign countries. In addition to these, JOT's are also being prepared for duty in ten other foreign countries. At various times, JOT's have been intensively trained in 14 languages: Arabic, Chinese, Czech, Dutch, French, German, Greek, Italian, Japanese, Persian, Polish, Russian, Spanish, and Turkish. They have also had part time courses in Finnish, Hindi, Icelandic, Laotian, Rumanian, or Thai.

3. The class of JOT's beginning the new Program is expected to number 55 when the Program opens Monday with seven others reporting in the immediate future, making a total of 62.

B. NORMAL ACTIVITIES

1. During the last few days, C/JOTP has met with C/PPS and Staff and School Chiefs to work out training evaluations and assessment reports from the various instructors of JOT's in the courses of the new integrated program. Everyone has been cooperative. No difficulties are foreseen except the inevitable delays in time which apparently cannot be avoided.

2. C/JOTP attended a briefing by C/Cover Division on the organization of that unit.
